

**Report on Compliance With Section 201.3 of
Title Two of the Official Compilation of Codes, Rules
and Regulations of the State of New York**

Board of Directors
New York State Thruway Authority
Albany, New York

We have examined the compliance of the New York State Thruway Authority (Authority), a component unit of the State of New York, with the requirements of Section 201.3 of Title Two of the *Official Compilation of Codes, Rules and Regulations of the State of New York* during the year ended December 31, 2014. Management is responsible for the Authority's compliance with those requirements. Our responsibility is to express an opinion on the Authority's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States and, accordingly, included examining, on a test basis, evidence supporting the Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Authority's compliance with the specified requirements.

In our opinion, the Authority complied in all material respects with the aforementioned requirements during the year ended December 31, 2014.

In accordance with *Government Auditing Standards*, we are required to report significant deficiencies in internal control, violations of provisions of laws, regulations, contracts or grant agreements, and abuse that are material to the Authority's compliance with Section 201.3 of Title Two of the *Official Compilation of Codes, Rules and Regulations of the State of New York* and any fraud or illegal acts that are more than inconsequential that come to our attention during our examination. We are also required to obtain views of management on those matters. We performed our examination to express an opinion on whether the Authority complied with the aforementioned requirements and not for the purpose of expressing an opinion on internal control over compliance with those requirements or other matters; accordingly, we express no such opinion. The results of our tests disclosed no matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of Authority management, the Board of Directors, and New York State and is not intended and should not be used by anyone other than those specified parties.
