Notice to Proposers

Amendment # 5

12-15-2017

This amendment #5 does not constitute the last amendment.

- A. The last amendment will cover Buckeye Pipe Line determination. A reference document was posted. The information will be better clarified in the next amendment. It appears the addition of fill or expanding the toe of slope is not an issue. Buckeye wishes not to extend casing.
- B. Any outstanding fiber optic issues.
- C. Possible modifications in Section 100 – Part 2 Sections 101-110

Expect the amendment closer to the last amendment deadline.
