

**Syracuse Division
Bundled Bridges**

DESIGN-BUILD PROJECT

TAS 17-37B, Contract No. D800001

REQUEST FOR QUALIFICATIONS

ADDENDUM (No. 2)

April 28, 2017

NOTE TO PROPOSERS

Due to the number of questions and the addendum issued combined with the fact that this is the Authority's first in a series of Design-Build Projects, the Authority decided to extend the SOQ Due Date to allow contractor's and engineering firms the opportunity to adjust to the changes.

Modifications to the Request for Qualifications
SYRACUSE DIVISION BUNDLED BRIDGES

DESIGN BUILD PROJECT

TAS 17-37B, Contract No. D800001

General Instructions:

Delete pages A-5 of the Request for Qualifications Appendix A and substitute the attached revised Page A-5.

Note to Proposers:

Differences between the deleted pages and the revised pages have been identified as follows:

- A red bracket has been inserted on the left-hand margin of the pages to indicate where changes have been made to the documents; and
- Text additions have been shown in underlined red font and text deletions have been shown in crossed out red font.

Notice to Proceed	Early January

7.0 PROJECT STATUS

The following list is a summary of the status of work that has been completed or is being completed by the Authority for the Project. This list is indicative, and is not comprehensive.

- Topographic Survey: Control surveys and design-level 3-Dimensional digital terrain data are to be provided in electronic format in the Reference Documents or RFP.
- Subsurface Survey: Available geotechnical information is to be provided in the Reference Documents prior to issuance of the Draft RFP.
- Scope of Work: A detailed description of the Work to be performed for the Project will be provided in the RFP;
- Utilities: Identification and location of existing utilities will be identified in the RFP;
- Right-of-Way (ROW): Right-of-Way acquisitions will not be required for this project;
- Environmental: The environmental clearances documented in the Final Design Reports will be obtained by the Authority prior to issuance of the Final RFP, except for any releases that may be required for the Design Builder’s operations.
- SEQR: All SEQR requirements will be satisfied prior to issuance of the RFP;
- Plans showing the locations of the Project Elements and Project Limits are expected to be provided in the RFP.
- Record Plans for the bridges within this project are to be provided in the Reference Documents prior to issuance of the Final RFP.

8.0 AUTHORITY’S DESIGNATED REPRESENTATIVE FOR THE PROCUREMENT

The Authority’s Designated Representative for the procurement is:
