Chairman Buono noted that he, Ms. Carey Cassidy, Mr. Howard, Mr. Plunkett, Mr. Williams and Ms. Crotty had received and reviewed the Agenda submitted for consideration at this meeting and were prepared to act on each of the items.

Ms. Warner recorded the minutes as contained herein. Public notice of the meeting had been given, Ms. Warner said.

Mr. Fleischer submitted as Exhibit I a listing containing Personal Service Contracts up to $150,000 for the period of July 1, 2007 through September 30, 2007.

After full discussion, on the motion of Ms. Crotty, seconded by Ms. Carey Cassidy, without any objections, the Board accepted Mr. Fleischer’s report.

Item 3 by Mr. Bryan (Appendix C)
Approval of the 2008 Proposed Budget for the New York State Canal Corporation

Mr. Plunkett inquired as to the Canal Corporation’s annual revenue and costs. Mr. Bryan stated that approximately $2 million is generated annually, $250,000 of which is through Canal tolls. The total Canal budget is estimated to be $108 million in Thruway funds; excluding Federal funds and bond act projects, the annual cost is approximately $82.5 million. Mr. Williams asked if the Canal could bond for capital projects if it were under the control of another State agency, such as the New York State Department of Transportation. Mr. Bryan advised that the Authority was given a certain amount of bonding authority at the time of the original transfer but the cap has since been reached. All Canal capital must now be cash financed whereas a portion of Thruway capital can be bond financed.

After full discussion, on the motion of Ms. Crotty, seconded by Ms. Carey Cassidy, without any objections, the Board adopted the following resolution:

Item 4 by Mr. Waite (Appendix D)
Approving the 2008 Canal Contracts Program

Ms. Crotty asked if any of the proposed 2008 projects are in response to flooding. Mr. Waite advised that some recovery projects are ongoing, but none are being initiated in 2008. In response to a subsequent question, Ms. Mantello reported that although some projects on the list are related to the flooding, they are capital projects. All non-Federally-funded trail projects have been deferred in order to address infrastructure needs. All recovery projects should be complete by 2009 at the latest; the majority will be completed by the end of 2008.

After full discussion, on the motion of Mr. Howard, seconded by Ms. Crotty, without any objections, the Board adopted the following resolution:

Other Business

Ms. Carey Cassidy announced that she had been serving on the Board in a holdover capacity for some years with the intention that she would leave the Board when a point was reached that her other responsibilities interfered with her ability to actively participate. In 2008, she expects that other responsibilities, including those of her family, would require an increased devotion of time. Earlier this year she submitted her resignation to the Governor so that a new Board Member could be appointed. The Governor accepted her resignation effective December 31, 2007. During her 14 and one-half-year tenure, Ms. Carey Cassidy reported seeing many things, including the implementation of E-ZPass. She commended the staff for its professionalism and the Board for meeting its responsibilities. She clarified that her resignation was not in any way a reaction to the suggestion raised by some public officials that Board members resign. Ms. Carey Cassidy concluded by thanking the staff and Board members.
Chairman Buono responded with an expression of gratitude for Ms. Carey Cassidy’s years of service on behalf of the Board, staff and the public she has served so well. He acknowledged that Ms. Carey Cassidy will be missed, as her history, knowledge and expertise of the Thruway and Canal was often relied upon as was her assistance in progressing the Authority’s agenda. Mr. Plunkett moved to adjourn the meeting in recognition of Ms. Carey Cassidy and her dedication to New York State. The remaining Board Members unanimously agreed.

Adjournment

There being no further business to come before the Board, on the motion of Mr. Plunkett, seconded by Mr. Howard, without any objections, the meeting was adjourned.
