## NOTES TO FINANCIAL REPORT NEW YORK STATE THRUWAY AUTHORITY

MONTH	
July	
YEAR	
2021	

#### NOTE A - TOTAL REVENUES (pages 1, 2, & 4):

Total revenues for the month are \$84,280,983, an increase of \$20,877,341 or 32.93%. Toll revenues for the month are \$74,097,588, an increase of \$14,933,899 or 25.24%. Higher traffic levels in July 2021 compared to July 2020, when severe travel restrictions and stay at home orders were issued to control COVID-19, are the primary reason for the increase.

Total revenues year-to-date are \$455,079,973, an increase of \$88,464,933 or 24.13%. Toll revenues year-to-date are \$419,069,002, an increase of \$83,132,022 or 24.75%. Year-to-date passenger revenues increased \$49,232,007 or 28.90% and commercial revenues increased \$33,900,015 or 20.48%. The increase in both passenger and commercial revenues is primarily due to higher traffic related to COVID-19 travel restrictions being rescinded in 2021. Toll adjustments implemented in January 2021 for commercial traffic using the Governor Mario M. Cuomo Bridge and system-wide for out of state E-ZPass customers and Tolls by Mail customers also contributed to the increase in toll revenues.

In November 2020 the Authority completed its conversion of the entire Thruway System to cashless tolling by implementing cashless tolling on the mainline from Woodbury to Buffalo and the Erie Section. Cashless tolling collects tolls at highway speed using E-ZPass and Tolls by Mail. For customers without E-ZPass, the system determines the vehicle's class and bills the registered owner of the vehicle.

Year-to-date interest earnings are \$669,152, a decrease of \$5,546,345. The decrease is primarily due to lower interest rates on investments. Interest earnings are segregated between operating and non-operating revenues on the Statement of Revenues, Expenses and Changes in Net Position.

#### NOTE B - TOTAL DEPARTMENTAL OPERATING EXPENSES (page 4):

Thruway operating expenses year-to-date are \$196,700,393, an increase of \$823,849 or 0.42%.

The increase is due to increased costs associated with E-ZPass and Tolls by Mail Administration as well as snow and ice control. In addition, there was a 2020 settlement reached with Exxon-Mobil related to the financial responsibility for soil remediation costs at Thruway travel plazas. These increases are offset by lower personal service and benefit costs due to a reduction in staffing levels associated with the implementation of cashless tolling.

A comparison of General Charges Undistributed for the year is as follows:

2021	

#### NOTE C - PENSIONS (pages 4 & 12):

The Authority's financial results comply with Government Accounting Standards Board Statement 68 (GASB 68) "Accounting and Financial Reporting for Pensions" and GASB 71, "Pension Transition for Contributions Made Subsequent to the Measurement Date."

GASB 68 and 71 establish accounting and financial reporting standards for pensions provided to Thruway Authority employees via the New York State and Local Employees' Retirement System (NYSLRS). These accounting standards require the net pension liability for the entire NYSLRS to be measured as a portion of the present value of projected payments to be provided through the pension plan to current active and inactive employees that is attributed to those employees' past periods of service (total pension liability), less the amount of the pension plan's fiduciary net position. A proportionate share of this net pension liability is then allocated to the Thruway Authority based on Thruway Authority's pensionable wages in comparison to the NYSLRS's total pensionable wages.

To comply with GASB 68 and 71, our financial statements may include an adjustment to reflect the difference between the amount of revenues set aside to fund contributions to NYSLRS and the expense reported to comply with GASB 68 and 71.

#### NOTE D - RETIREE HEALTH INSURANCE (pages 4 & 12):

The Authority's financial results comply with Government Accounting Standards Board Statement 75 (GASB 75) "Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions." GASB 75 establishes accounting and reporting standards for "other post-employment benefits" offered by state and local governments. Other post-employment benefits (OPEB) are employee benefits other than pensions that are received after employment ends. OPEB benefits provided by the Authority consist of medical and prescription drug benefits provided via the New York State Health Insurance Program (NYSHIP).

The Authority is required to fund payments to NYSHIP to provide health insurance coverage, in the current year, for our current retirees. To comply with GASB 75, our financial statements may include an adjustment to reflect the difference between the amount paid to NYSHIP for retiree health insurance coverage and the expense reported to comply with GASB 75.

In June 2020, the Authority entered into a Revolving Credit Agreement with JP Morgan Chase that provides the Authority with a revolving credit line of up to \$125 million through June 10, 2021. On June 11, 2020 the Authority drew \$50 million of tax-exempt proceeds from this line of credit. These proceeds were used to partially fund an escrow to defease a portion of General Revenue Bond interest due on July 1, 2020 and to pay closing costs of the Revolving Credit Agreement. The Revolving Credit Agreement was amended in June 2021 extending the expiration date of the the Revolving Credit Agreement by 120 days, from June 11, 2021 to October 8, 2021 and converting the interest rate from a variable rate to a fixed rate. The credit commitment under the Revolving Credit Agreement expired on June 11, 2021 and was not renewed. As of July 31, 2021 the outstanding balance of the loan was \$50 million. On August 11, 2021 the Authority repaid the loan in full.

In October 2020, the Authority entered into a Noteholder's Agreement with the Royal Bank of Canada (RBC) that provides the Authority with the ability to sell short term notes to RBC in amounts not to exceed \$100 million in combined notes outstanding. Under the terms of the Noteholder's Agreement, the RBC commitment to purchase notes extends through October 12, 2022.
