⁽¹⁾ Gallons delivered were negatively impacted with the start of the COVID-19 pandemic in March 2020. The degree to which COVID-19 has negatively impacted gallons delivered has varied depending on the severity of travel restrictions and stay at home orders.

⁽²⁾ The closure of certain service area restaurant locations has negatively impacted gallons delivered to the gas stations at those locations. See Note D for additional information.

⁽³⁾ Includes an adjustment to January 2021 revenues to partially correct an overstatement of revenues from April 2020 and November 2020.

⁽⁴⁾ A Thruway Authority audit determined that Sunoco incorrectly reported diesel fuel deliveries for the period of January through March 2022. As a result, Sunoco was invoiced for the adjustments totaling \$34,617 in March 2022.

NOTES TO FINANCIAL REPORT NEW YORK STATE THRUWAY AUTHORITY

MONTH
March
YEAR
2022

NOTE A - TOTAL REVENUES (pages 1 & 2):

Total revenues for the month are \$72,841,607, an increase of \$12,405,300 or 20.53%. Toll revenues for the month are \$64,372,494, an increase of \$7,479,780 or 13.15%. Higher traffic levels in March 2022 compared to March 2021, when travel restrictions were in place to control COVID-19, are the primary reason for the increase. A toll adjustment implemented in January 2022 for traffic using the Governor Mario M. Cuomo Bridge also contributed to the increase.

Total revenues year-to-date are \$192,563,721, an increase of \$31,900,554 or 19.86%. Toll revenues year-to-date are \$171,509,149, an increase of \$21,800,072 or 14.56%. Year-to-date passenger revenues increased \$12,097,336 or 16.99% and commercial revenues increased \$9,702,736 or 12.36%.

NOTE B - TOTAL DEPARTMENTAL OPERATING EXPENSES (page 4):

For the year, Departmental Operating Expenses are \$104,065,504, an increase of \$14,284,577 or 15.91% compared with March 2021.

The increase is primarily due to higher personal services and benefits costs, snow and ice control, the payment of marketing fees related to the fiber optic system and E-ZPass and Tolls by Mail administration costs.

A comparison of General Charges Undistributed for the year is as follows:

Totals	\$ 25,176,223	\$	24,822,682	\$	353,541

NOTE C - DEPARTMENTAL OPERATING EXPENSES AND BUDGET (page 10):

The following Departmental Operating Expenses exceeded the normal year-to-date expenditure percentage of 25.00%:

Information Technology

The overrun of 22.01% is due to the payment of marketing fees related to the fiber optic system.

Thruway Maintenance

The overrun of 4.90% is due to the timing of payments related to snow and ice control.

Toll Collection

The overrun of 2.93% is predominately due to the timing of reimbursements of E-ZPass and Tolls by Mail administrative costs by other agencies.

NOTES TO FINANCIAL REPORT NEW YORK STATE THRUWAY AUTHORITY

MONTH
March
YEAR
2022

NOTE D - SERVICE AREAS (pages 13 & 14):

In January 2021 the Authority entered into a 33-year agreement with Empire State Thruway Partners, LLC (Empire) for the design, construction, finance, operation, and maintenance of the Authority's 27 Service Areas. Empire will rebuild 23 of the 27 service area restaurant buildings and perform significant renovations to the remaining four. Empire's initial investment to rebuild and renovate the service areas is estimated to be \$300 million. Additionally, over the life of the agreement Empire will invest another \$99 million into future renovations and improvements.

The initial construction work will occur in two phases as detailed below. Phase 1 commenced in July 2021 when Empire assumed control of 16 service areas previously operated by HMSHost Corporation and Delaware North Corporation. Phase 2 will begin in January 2023 when Empire assumes control of the remaining 11 service areas that will continue to be operated by McDonald's Corporation until then.

Commencing with the reopening of each new restaurant building, the agreement requires Empire to pay rent calculated as a percentage of gross sales, subject to a guaranteed annual minimum per location. In addition, the agreement has ancillary rent provisions tied to the operation of commercial vehicle fueling stations at 5 of the service areas and advertising opportunities at all service areas. Sales generated by Empire during the operation of a restaurant prior to reconstruction (interim operations) are not subject to rent provisions. Over the life of the agreement, base rent calculated as a percentage of sales is forecasted to be \$85 million, of which \$51 million is guaranteed.

During the period of January 1, 2021 through July 29, 2021 HMSHost's obligation to pay rent was suspended.
