DESCRIPTION OF WORK

Under this contract it is proposed to provide for the cleaning and painting of seven (7) structures on the New York State Thruway between Milepost 210.28 and 229.92 in the Syracuse Division in Herkimer County.

The contract comprises the cleaning and painting of the structural steel and shall in general include: stringers, girders, diaphragms, bracing, bearings, underside joint areas, bridge railing where indicated and any other areas of steel reasonably expected to be cleaned and painted.

NEW YORK STATE THRUWAY AUTHORITY
DEPARTMENT OF ENGINEERING AND MAINTENANCE
ITEMIZED PROPOSAL FOR
CLEANING AND PAINTING STRUCTURAL STEEL
AT
SEVEN THRUWAY BRIDGE STRUCTURES
FROM
MILEPOST 210.28+ to MILEPOST 229.92+
IN THE
SYRACUSE DIVISION
OF THE
NEW YORK STATE THRUWAY
IN
HERKIMER COUNTY

WHICH CONSTITUTES CONTRACT NO. TAS 87-16BP

The work proposed herein must be completed on or before
October 16, 1987.

- - - - -
To the New York State Thruway Authority:

In submitting this bid the undersigned declares that he is or they are the only person or persons interested in the said bid; that it is made without any connection with any person making another bid for the same contract; that the bid is in all respects fair and without collusion, fraud or mental reservation; and that no official of the New York State Thruway Authority, or any person in the employ of the New York State Thruway Authority is directly or indirectly interested in said bid or in the supplies of work to which it relates, or in any portion of the profits thereof.

The undersigned also hereby declares that he has or they have carefully examined the plans, specifications and form of contract, and that he has or they have personally inspected the actual location of the work together with the local sources of supply, has or have satisfied himself or themselves as to all the quantities and conditions, and understand that in signing this proposal he or they waive all right to plead any misunderstanding regarding the same.

The undersigned further understands and agrees that he is or they are to furnish and provide for the respective item price bid all the necessary material, machinery, implements, tools, labor, services, etc., and to do and perform all the work necessary under the aforesaid conditions, to complete the improvement in accordance with the plans and specifications for said improvement, which plans and specifications it is agreed are a part of this proposal, and to accept in full compensation therefore the amount of the summation of the products of the approximate quantities multiplied by the unit prices bid. This summation will hereinafter be referred to as the gross sum bid.

The undersigned further agrees to accept the aforesaid unit bid prices as compensation for any additions or deductions caused by variation in quantities due to more accurate measurement, and for use in the computation of the value of the work performed for monthly estimates.

The undersigned further agrees that at any time during the progress of work the New York State Thruway Authority adds, alters or omits portions of the work he shall so perform such work and accept compensation in accordance with the Standard Specifications.

In case the undersigned voluntarily undertakes to commence any of the contract work on the site of the project in anticipation of an award of this contract and prior to the time such an award to him is consummated by the delivery to him of a duplicate of the agreement which has been approved by and filed in the office of the State Comptroller, he does so entirely on his own risk and without obligation or responsibility of the part of the New York State Thruway Authority; and he does hereby agree and warrant that, as a prerequisite to the start of any such voluntary work he accepts, assumes and undertakes all of the provisions of this proposal and of the plans and specifications of the

TAS 87-16BP
Sheet 3

proposed contract, including all of the provisions and responsibilities thereof relative to (1) damage, indemnification and holding the New York State Thruway Authority harmless as set forth in said contract documents, and (2) actually furnishing in advance of any contract operations, the required insurance policies of each and every kind and amount as called for in said contract documents, particularly with relation to workmen's compensation and liability insurance policies as set forth in the related specifications and he does also agree and warrant that all of such policies will be in force and effect on the date of the start of any such contract operations, whether or not the contract documents have been executed and filed as aforesaid.

The undersigned hereby affirms and attests that the firm which he or they represent is not disqualified from submitting bids to or receiving awards from or entering into contracts with any public authority by virtue of the refusal since July 1, 1959 of a member, partner, director, or officer of the firm to answer an relevant question when called before a grand jury, head of a state department, temporary state commission or other state agency, the organized task for in the Department of Law, head of a city department or other city agency which is empowered to compel the attendance of witnesses and examine them under oath to testify concerning any transaction or contract had with the State, any political subdivision thereof, a public authority, or with a public department, agency or official of the State or of any political subdivision thereof or of a public authority. (Section 2602 Public Authorities Law)
