

**New York State Thruway Authority
RFP #18C15
Design, Construction, Financing, Operation
and Maintenance of 27 Service Areas
on the New York State Thruway**

**Authority Response to Written Question Regarding Pre-Proposal
Conference to be Held on November 13, 2018**

November 9, 2018

The New York State Thruway Authority (“Authority”) issued Request for Proposals #18C15 for Design, Construction, Financing, Operation and Maintenance of 27 Service Areas on the New York State Thruway on October 15, 2018 and Addendum No. 1 on November 8, 2018 (collectively, the RFP).

The Authority received the following question regarding the Pre-Proposal Conference to be held on November 13, 2018 and submits the following response in accordance with Section 1.5 of the RFP.

Q1: We are wondering if the Authority would consider webcasting the pre-proposal meeting on November 13th? A number of our potential international partners have suggested this would make it possible for a larger group of folks to gain knowledge of the project. This was done by DASNY/EDC for the recent RFQ issued for the DOH Life Sciences Facility in Albany.

A1: **The Pre-Proposal Conference to be held on November 13, 2018 will not be webcast.**
