

## **TAB 21-7 / D214768**

### **Pavement Rehabilitation of the Eastbound I-90 Between MP 483.0 and MP 496.0 in Chautauqua County**

#### **QUESTIONS AND ANSWERS**

- Q1. The WZTC and General Plans indicate no work is to take place on the Interchange 60 overpass and the Cashless Toll Project work zone. However, these areas are included in the quantities calculated in the Engineer's Workup. Please clarify if these areas are to be included.
- A1. Please follow the work defined in the plans and WZTC. The intent is to not pave in the locations identified within the drawing plan set.
