**Verona Maintenance - Municipal Sewer / Water Connections  
at I-90, MP 252.71 in Onieda County**

**QUESTIONS AND ANSWERS**

Q1. I am contacting you for some clarification. The sewer lift station piping is called out as DIP. I assume meaning Ductile Iron Pipe. I cannot provide 2" DIP it is not manufactured. Can an alternate piping be used? Such as Sch80 pvc?

A1. Schedule 80 PVC is acceptable.
