WITNESSETH:

WHEREAS, the Authority is statutorily responsible for financing, constructing, reconstructing, improving, developing, maintaining and operating a 570-mile superhighway system known as the Thruway; and

WHEREAS, in furtherance of these responsibilities, the Authority needs for certain construction work to be performed on the **South Grand Island Bridges at (Niagara Thruway, I-190) Mileposts N14.35 and N14.99**; and

WHEREAS, to seek bids for the Project, the Authority must provide prospective bidders and other interested parties with plans and specifications for the Project; and

WHEREAS, the **South Grand Island Bridges** are designated as security sensitive bridges and thus the plans and specifications for the Project contain information which is classified as confidential; and

WHEREAS, Plan Holder will keep confidential and will not disclose such plans and specifications received from the Authority for the purposes of preparing its bid for the Project, in accordance with the terms and conditions set forth in this Agreement.

NOW, THEREFORE, the parties hereto do agree as follows:

1. **Term.** This Agreement shall commence upon execution by both parties and shall be binding on Plan Holder's officers, directors, employees, subcontractors, agents, heirs, successors and assigns until terminated by the Authority.
2. **Confidential Information.** "Confidential Information" means any information not generally known to the public, whether oral or written, that the Authority claims is confidential and discloses to Plan Holder for the purposes of soliciting bids to perform the work for the Project. Confidential Information may include, but is not limited to, information relating to bid documents, plans, drawings, specifications, reports, product information, data, security procedures, personnel and organizational data, and financial statements. The Authority will identify written Confidential Information by marking it with the word "Confidential" and will identify oral Confidential Information as confidential at the time of disclosure to Plan Holder.

3. **Exempt Materials.** Confidential Information does not include information which, at the time of the Authority disclosure to Plan Holder: (a) is already in the public domain or becomes publicly known through no act of Plan Holder; (b) is already known by Plan Holder free of any confidentiality obligations; (c) is information that the Authority has approved in writing for disclosure; or (d) is required to be disclosed by Plan Holder pursuant to law so long as Plan Holder provides the Authority with notice of such disclosure requirement and an opportunity to defend prior to any such disclosure.
4. **Permitted Use.**
 - a) Except as provided in paragraph (b) below, Plan Holder may use Confidential Information solely for the purposes of developing its bid for the Project. Plan Holder may share Confidential Information with third parties that agree to the confidentiality provisions of this Agreement and are necessary to Plan Holder's development of its bid (e.g. subcontractors, suppliers and vendors). However, Plan Holder shall share only that Confidential Information that is necessary to the third party's development of its contribution to Plan Holder's bid for the Project. Further, Plan Holder must maintain a list of all such third parties with which Plan Holder has shared the Confidential Information and Plan Holder must provide the Authority with such list upon the Authority's request.
 - b) The Authority's disclosure of Confidential Information to Plan Holder shall not convey to Plan Holder any right to or interest in such Confidential Information and the Authority shall retain all right and title to such Confidential Information at all times.
5. **Protections.** Plan Holder shall hold Confidential Information confidential to the maximum extent permitted by law. Plan Holder shall safeguard Confidential Information with at least the same level of care and security, using all reasonable and necessary security measures, devices and procedures that Plan Holder uses to maintain its own confidential information.
6. **Images.** Plan Holder shall not take any photographs, videotapes, or other recorded images of the **South Grand Island Bridges.**
7. **Destruction of Confidential Information.** If Plan Holder does not submit a bid for the Project, then by the date when bids are due Plan Holder shall: destroy all Confidential Information and notify all third parties with which Plan Holder shared Confidential Information that such third parties must immediately destroy all Confidential Information in their possession. If Plan Holder does submit a bid for the Project, then upon receipt of notice from the Authority that it has awarded a contract for the Project and Plan Holder is not the recipient of such award, Plan Holder must immediately: destroy all Confidential Information and notify all third parties with which Plan Holder shared Confidential Information that such third parties must immediately destroy all written Confidential Information in their possession.
8. **Liability.** Plan Holder shall be responsible for all damage to life and property due to Plan Holder's disclosure of Confidential Information. Further, it is expressly understood that Plan Holder shall indemnify and save harmless the Authority and/or the State of New York, as their interests may appear, from claims, suits, actions, damages and costs of every name and description resulting from Plan Holder's disclosure of Confidential Information, and such indemnity shall not be limited by reason of any insurance coverage. However, Plan Holder shall not be required to indemnify the Authority for that portion of any claim, suit, action, damage or cost which arises due to the negligent act or omission of the Authority and shall not be required to indemnify the State of New York for that portion of any claim, suit, action, damage or cost which arises due to the negligent

act or omission of the State. The provisions of this section shall survive the expiration or termination of this Agreement.

9. **Media Releases.** Plan Holder shall not provide media releases or make public announcements or disclosures about any aspect of this Agreement or the Project.
10. **Governing Law.** This Agreement shall be governed by the laws of the State of New York.
11. **No Waiver of Provisions.** The Authority's failure to exercise or delay in exercising any right or remedy under this Agreement shall not constitute a waiver of such right or remedy or any other right or remedy set forth therein. No waiver by the Authority of any right or remedy under this Agreement shall be effective unless made in a writing duly executed by an authorized representative of the Authority and such waiver shall be limited to the specific instance so written and shall not constitute a waiver of such right or remedy in the future or of any other right or remedy.
12. **Entire Agreement.** This Agreement constitutes the entire understanding between the parties and there are no other oral or extrinsic understandings of any kind between the parties.
