Enter the meeting number ⓘ

Meeting number

Continue

Here you will enter the meeting number.

You will then be redirected to the following page where you will fill in the following under Join Event now Colum.

First name

Last name

Email address

Event password

The screenshot shows a web browser window with the URL `nystatest.webex.com/nystatest/e.php?AT=SI&From=GPS&MK=1735557141`. The page title is "Webex Events" and the Cisco logo is visible. The main content area is titled "Event Information: test".

Event status: Started

Date and time: Monday, September 28, 2020 3:45 pm Eastern Daylight Time (New York, GMT-04:00) [Change time zone](#)

Duration: 1 hour

Description:

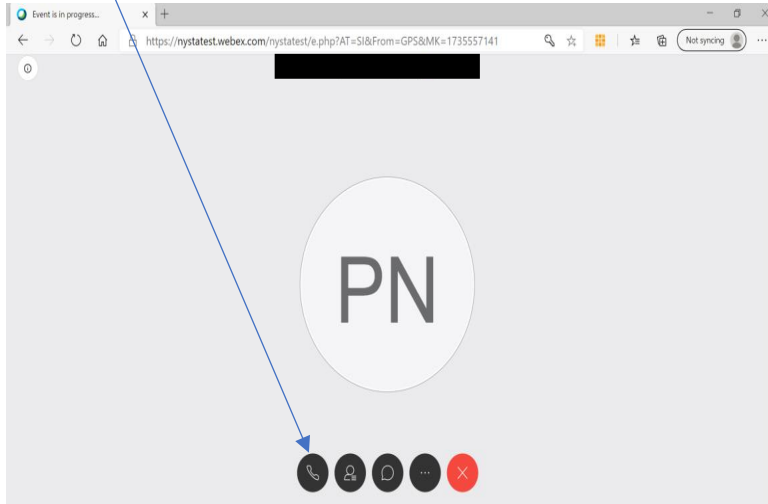

By joining this event, you are accepting the Cisco Webex [Terms of Service](#) and [Privacy Statement](#).

On the right side, there is a "Join Event Now" button. Below it, the text reads: "To join this event, provide the following information." followed by four input fields: "First name:", "Last name:", "Email address:", and "Event password:". Below the form, there are two options: "Join Now" (a blue button) and "Join by browser NEW!" (a blue button with a browser icon). A note below says: "If you are the host, [start your event](#)."

Then click on Join by Browser

2. Audio Connection

When you enter the meeting please click the Microphone icon to set you audio settings as seen below:

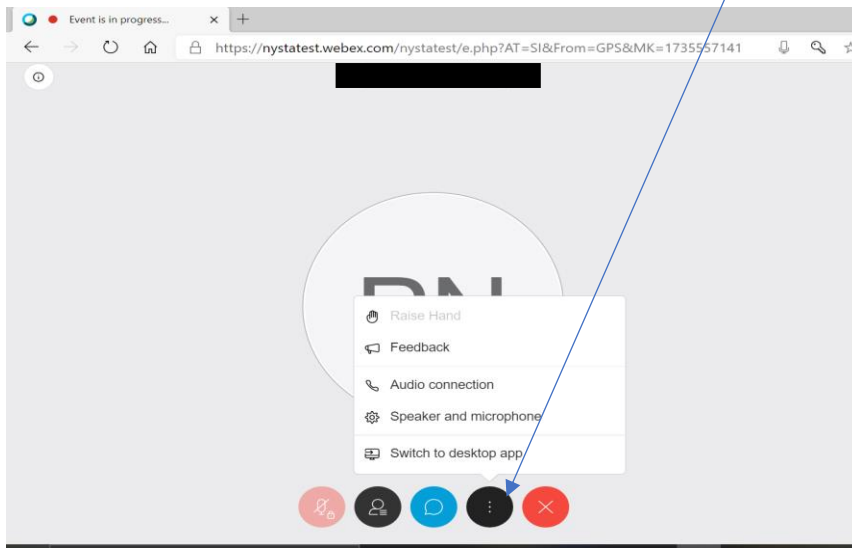

When microphone icon is clicked you will see the following:

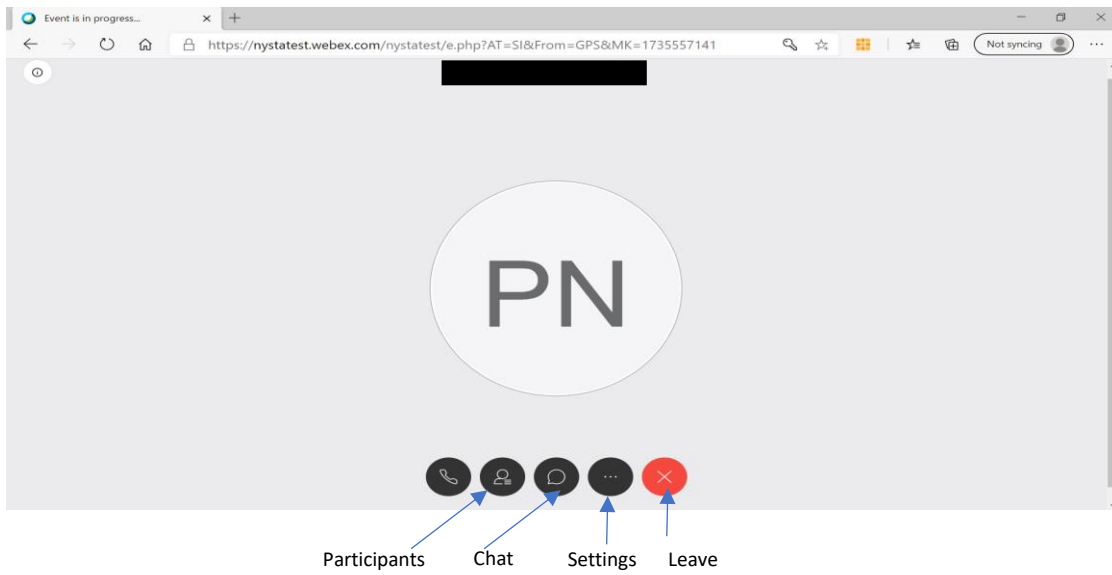

Hover your mouse over, **Use Computer for audio** and a blue button will appear that says Connect. Click that and your audio will find your microphone if one is present and your computers sound.

You can also enter Audio setting by clicking the following icon:

If you click speaker and microphone you can test your computer sound and microphone. If you click audio connection, you can disconnect and reconnect audio from the WebEx if needed.

Below you will also see the other buttons that are available to you while on the WebEx:

If you have any question or concerns, please contact the New York State Thruway Authority Office of Media Relations and Communications by dialing 518-471-5300 and a representative will assist you.
