Community Listing

The New York State Thruway Directory of Exits

The Directory of Exits has been developed to provide another level of service to Thruway customers, suggesting exits for reaching various communities across New York State via the New York State Thruway. It is designed for use by motorists while on the Thruway, and in conjunction with the *New York Thruway Map & Travel Guide* and other detailed highway maps. This Directory does not include all cities, villages, towns and hamlets within New York State.

In most cases, the Directory shows exits on portions of the Thruway closest to the listed community. Emphasis is, however, on superhighway links, which provide safe, swift means of travel. Other exits may take you to routes that are shorter or more scenic.

If you find you are traveling between the exits listed, consult your map for an exit connecting with a more convenient route. When using any driving directions or map, it is a good idea to watch out for construction and follow all traffic safety precautions. The Directory of Exits should only be used as an aid in planning your route.

Before you head out on the road, plan your entire route from start to finish. Knowing how to get to your destination will help ensure a safe trip.

For a complimentary copy of the *New York Thruway Map & Travel Guide*, please contact the Public Information Office at (518) 436-2983.

Highway Section Key:

The following letters/numbers indicate highway sections off the Mainline.

- B – Berkshire Section (I-90)
- NE – New England Section (I-95)
- CW – Cross Westchester Section (I-287)
- I 84 – Interstate 84

For sections off the Mainline the Directory provides the exit to be taken from the Mainline, followed by the highway section letters/ numbers, and the section exit number. For example, 8 – CW 1 means you are to take Mainline Exit 8 to the Cross Westchester Section (I-287), and then take Exit 1 from the Cross Westchester Section.
